

# Vansgard Paint Protection Film

Top Grade PPF with German Technology

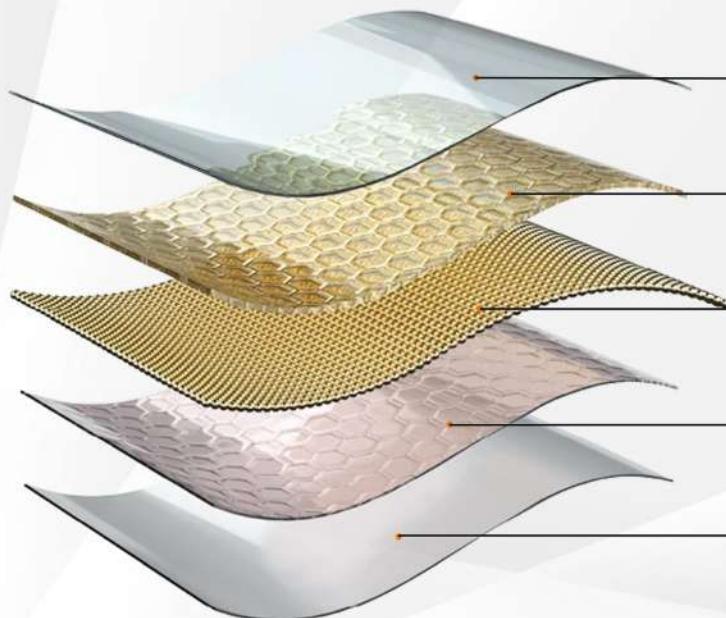

## PROTECT YOUR STLYE.

Inovasi yang digerakkan oleh Vansgard telah mengembangkan perlindungan terkuat dan paling tahan lama yang dapat Anda berikan pada kendaraan Anda. Dibangun hingga lima lapisan penting, setiap film pelindung cat Vansgard dilengkapi teknologi untuk menjaga cat terhadap kondisi lingkungan. Dengan mata telanjang, film pelindung cat gloss transparan kami hampir tidak terlihat, mempertahankan gaya asli mobil.

Film tercanggih kami dibuat untuk berbagai tujuan, dengan TPU yang disempurnakan untuk karakteristik seperti *self-healing* pada suhu sekitar, ketahanan gores dan noda yang tinggi.

## ALWAYS LOOKING LIKE A NEW

Mobil selalu kondisi sempurna memiliki cat yang sempurna. PPF Vansgard memberikan lapisan penghalang untuk cat terhadap serpihan, batu, dan noda. Vansgard PPF melakukan lebih dari sekedar melindungi dari goresan dan benturan, bahkan memiliki kemampuan untuk menyembuhkan diri sendiri.

### PROTECTION LAYER

Lapisan terluar yang terbuat dari PET guna melindungi film

### TOP-COAT LAYER

Garis pertahanan pertama yang indah. Tahan lama, dengan *self-healing* dan lapisan cair

### CORE LAYER

Lapisan terluar yang terbuat dari PET guna melindungi film

### ADHESIVE LAYER

Lapisan perekat khusus dengan daya rekat super kuat dan tidak merusak cat

### BOTTOM RELEASE LAYER

Lapisan pertama yang terbuat dari bahan polyester dengan tingkat kehalusan yang tinggi

## ULTRA SERIES

Vansgard PPF Ultra Series is a dependable, self-healing paint protection film that provides strong stain and wear resistance. This high value film helps to preserve the car's showroom quality finish from everyday damages such as weather, stone or rock chips, insects, and maximizes resale value. Simple self-healing with heat from sun, engine or applied heat.

## MATTE SERIES

Vansgard PPF Matte Series film helps create a sophisticated and unique head-turning finish for your vehicle. A beautiful satin matte finish which enhances and transforms a vehicle's paintwork. Offers outstanding protection against stains, stone chips, insects, or bird droppings. Self-healing technology enables everyday scratches and scuff marks to disappear.

## ARMOR SERIES

Vansgard PPF Armor Series is our most advanced next-generation paint protection film, providing ultimate performance and extreme protection, whilst enhancing the vehicle's finish. Stone chips, scratches and scuff marks become a thing of the past with the self-healing top coating with minimal heat from sun, engine or other source.

## SUPERSAFE SERIES

Vansgard PPF Supersafe Series is our most advanced next-generation paint protection film, providing ultimate performance and extreme protection, whilst enhancing the vehicle's finish. Next generation VG Tech top-coating offers extreme stain resistance from fall out, droppings and road grime. Water and dirt repellent top-coating enables easy cleaning and low maintenance.

# VANGARD PPF

## PROTECT YOUR STYLE

Superior stain resistance and enhanced durability are now available with vanguard industry leading clear coat with Nano Ceramic technology. This innovative hydrophobic polymer coating works by preventing water and dirt from embedding into the surface of the film, helping keep cars looking cleaner, longer.

Top Grade PPF with German Technology
